Kerbal Space Program - Feedback #17587

EAS-1 External Command Seat - Science Restore while Seated

02/24/2018 09:56 PM - camcam

Status:	Confirmed		
Severity:	Low		
Assignee:			
Category:	Gameplay		
Target version:			
Version:	1.3.1	**Language:**	English (US)
Platform:	Windows	**Mod Related:**	No
Expansion:			

Description

Issue:
Scientist cannot restore science modules while seated in EAS-1 external command seat. Kerbal must leave seat before the 'Restore' option is available.

Suggestion:
Make restoration of science modules by a scientist possible, while seated in the EAS-1 command seat, if the seat and science module are close together.
