Target version:	
Version: 1.1.3	Language: English (US)
Platform: Windows	Mod Related: No
Expansion:	

Description

Contract calls for a Apoapsis of 3,389,761 meters around the Mun. While Mun's SOI is 2,429,559 meters. Mission is impossible to complete.

Even positioning craft as close as possible to conditions using MecJeb could not satisfy contract.

MODS:

Mechjeb
