

Kerbal Space Program - Bug #13497

Flag Planting / Mouse Lock

12/28/2016 06:38 PM - solman2

Status:	Closed	Start date:	12/28/2016
Severity:	Very Low	% Done:	100%
Assignee:			
Category:	Buildings		
Target version:			
Version:	1.2.2	Language:	English (US)
Platform:	Windows	Mod Related:	No
Expansion:			

Description

The issue is with the mouse lock and flag planting.
When a flag is placed in the time before the Text menu is opened if you right click to lock the mouse you will be unable to enter the text and leave the menu, This can be fixed by using Alt-Tab to leave the window and then going back in.
