Kerbal Space Program - Bug #14566

Main menu links disappear when switching fullscreen

03/27/2017 04:02 PM - robert_schuh

Status:	Closed		**Start date:**	03/27/2017
Severity:	Low		**% Done:**	100%
Assignee:				
Category:	Controls and UI			
Target version:				
Version:	1.2.2		**Language:**	English (US)
Platform:	Windows		**Mod Related:**	No
Expansion:				

Description

When toggling fullscreen in the main menu (where the 3 Kerbals float in front of kerbin) using Alt+Enter all the links disappear.
