#### Description

Small thingie. The word "he" in the contract completion message lacks a capital H.

#### History

##### #1 - 07/05/2016 12:57 AM - Kirk

This might actually be because of the gender neutral templating, where the word "she" or "he" is always inserted without capitalization.

##### #2 - 07/17/2016 11:14 AM - TriggerAu

- Status changed from New to Updated

- % Done changed from 0 to 10

Setting updated for confirmation during cleanup
