Kerbal Space Program - Bug #13126

Unable to transfer Science between Experiment Storage Units

10/27/2016 08:26 PM - snare116

Status:	Not Fixed		**Start date:**	10/27/2016
Severity:	Normal		**% Done:**	50%
Assignee:				
Category:	Gameplay			
Target version:	1.3.0			
Version:	1.2.0		**Language:**	English (US)
Platform:	OSX		**Mod Related:**	No
Expansion:				

Description

I have 3 Experiment Storage units on a vessel. I want to transfer all science from one to another. However whilst all the experiments appear to transfer (green and then orange text appear indicating transfer) afterwards the target container remains empty.

Source container is right clicked, "Container: Transfer Data" selected
Target container is selected
orange and green text indicates transfer is happening
When complete - no change - science not transferred.

History

#1 - 06/25/2017 02:18 PM - bewing

- Status changed from New to Ready to Test

- Target version set to 1.3.0

- % Done changed from 0 to 80

The science container actions have been completely revised in version 1.3.0, so please retest. If you are still seeing a problem, we will need you to provide a savegame.

#2 - 04/13/2019 09:07 AM - Anth12

- Status changed from Ready to Test to Not Fixed

- % Done changed from 80 to 50

I know what the issue is here...I am going to make a new bug report for it. Will relate it to there once its finished.
