

Kerbal Space Program - Bug #13222

Storage of similar experiments

11/12/2016 12:36 PM - cc_skarn

Status:	Not a Bug	Start date:	11/12/2016
Severity:	Normal	% Done:	0%
Assignee:			
Category:	Gameplay		
Target version:			
Version:	1.2.1	Language:	English (US)
Platform:	Windows	Mod Related:	No
Expansion:			

Description

I made a small vehicle with 4x SC-9001 Science Jr and one Storage unit for getting 100 % of the research on a specific biome. If you try to transfer all experiments, the storage unit consider it as a same objet storing only one of the four

Steps to reproduce :

- Go in a biome without science researched
- "observe material bay" in each of the four SC-9001 Science Jr
- "Collect All" in the Storage unit

Only one of four will be stored

History

#1 - 11/13/2016 06:17 PM - jd284

That's intentional, only the large science lab allows duplicate results of the same experiment. So to have 4x the same experiment results you also need 4 containers.

#2 - 11/16/2016 10:43 AM - sal_vager

- Status changed from New to Not a Bug
- % Done changed from 0 to 100

Yeah sorry cc_skarn but jd284 is correct, this was a deliberate design choice to limit duplicates.
