

Kerbal Space Program - Bug #15040

Ridge on Runway still persist in 1.2.9.1773

04/30/2017 08:22 AM - ThirdOfSeven

Status:	New	Start date:	04/30/2017
Severity:	Low	% Done:	0%
Assignee:			
Category:	Buildings		
Target version:			
Version:	1.2.2	Language:	English (US)
Platform:	Linux	Mod Related:	No
Expansion:			

Description

It is located right in the middle of Runway still. East side is little lower than West one. It exists with default terrain details and with High detail too.

History

#1 - 05/26/2017 10:37 AM - ThirdOfSeven

Seems like fixed in 1.3 with seamless collision models.
