<b>Platform:</b>	Windows	<b>Mod Related:</b>	No
<b>Expansion:</b>			

#### Description

When Outsourced R&D strategy is active the log is filled with messages like this

**[LOG 18:53:09.970] [CurrencyConverter for Outsourced R&D]: 30824.25 Funds taken, yields 2.673058 Science**

#### History

##### #1 - 10/18/2017 01:14 PM - RealGecko

- File *KSP.log* added

Added log file

##### #2 - 11/06/2017 02:47 PM - Technicalfool

- File *screenshot4.png* added

- Status changed from *New* to *Not a Bug*

It's a display of what the converter is doing, and as far as I am aware is intentional. Different strategies should also generate debug log output in different colours when viewed in-game, particularly when selecting contracts from the list in Mission Control.

It may benefit from being less verbose though. I'll raise an internal feedback issue and see what happens.
