

Kerbal Space Program - Feedback #18066

Making history IVA no porthole focusing

03/15/2018 08:53 PM - Alexoff

Expansion:	Making History		

Description

In old stock crewed pods we can look to portholes with double click. But new parts have no such option. It's strange that there is no availability to look to porthole.

History

#1 - 11/25/2019 10:58 PM - victorr

- Status changed from New to Ready to Test
- Target version set to 1.8.1

Recent changes make this work focusing on any window by double-clicking on it from the cockpit view. Some feedback is appreciated.
