

Kerbal Space Program - Bug #18252

Making History default install directory is not the same as Kerbal Space Program default install directory

03/28/2018 11:55 AM - keldor314

Status:	Closed	Start date:	03/28/2018
Severity:	Low	% Done:	100%
Assignee:			
Category:	Application		
Target version:			
Version:	1.4.1	Language:	English (US)
Platform:	Windows	Mod Related:	No
Expansion:	Core Game, Making History		

Description

The core game installer defaults to C:\Kerbal Space Program
The Making History installer defaults to <User>\Documents\Downloads

They really should both have the same default directory, presumably the "C:\Kerbal Space Program" one.
