- Subject changed from Typo to Explore Kerbin contract there is a space missing between "Kerbin" & "was" on completion
- Status changed from New to Confirmed
- Severity changed from Low to Very Low
- % Done changed from 0 to 10

Yes, i was able to verify this in the current build

#2 - 12/13/2018 12:28 AM - Nebbie

- Platform Linux added

I reported this before, but it must've been for a pre-release version. Anyways, this is a rather old bug that affects all contracts of this type, not having a space after the body name and before "was", so you get "Munwas successful" and similar.
