

Kerbal Space Program - Bug #20345

Most revamped parts don't filter by cross-section profile

11/03/2018 05:54 PM - 4x4cheesecake

Status:	Confirmed	Start date:	11/03/2018
Severity:	Low	% Done:	10%
Assignee:			
Category:	Parts		
Target version:			
Version:	1.5.1	Language:	English (US)
Platform:	Windows	Mod Related:	No
Expansion:	Core Game, Making History		

Description

The title pretty much sums up the issue: All the revamped parts which got a variant theme don't appear in the item list when using the 'Filter by Cross-Section Profile'. Revamped parts without a variant theme like the probe cores are filtered properly. Other filters are fine though.
