Description

1.5.1

R&D - Parts purchased does not decrease purchase available counts

Starting the second launch. Parts are allowed to be purchased on unavailable parts when active for contracts.

I launched the first mission.

Success and returned to the admin building

Accepted the test swivel engine contract

Entered to R&D

Upgraded Tech tree

Purchased single part (while contract active)

Parts available count (displayed) exceeds availability (pictured)?

Present in 1.6, and in some cases it's off by 2 instead of one. I suspect the root cause is obsoleted parts being counted, and that pressing the

purchase all button would unlock them for building.
