#### Description

One example is the Acapello-13 mission, trying to destroy the Skiff engine. The pop-up announcement comes, but the engine is not affected. In the craft file, the Skiff's persistentID has changed since version 1.5.1, but in the mission file the partPersistentID is the same as it was in 1.5.1.

#### History

##### #1 - 01/01/2019 06:04 AM - Anonymous

- Subject changed from stock missions not triggering parts on rebuilt craft to stock missions not triggering part failures

##### #3 - 01/09/2019 08:19 PM - joshua.collins

- Status changed from New to Ready to Test

- Target version set to 1.6.1

- % Done changed from 0 to 80

##### #4 - 01/09/2019 11:48 PM - Nebbie

- File screenshot990.png added

- Status changed from Ready to Test to Resolved

- % Done changed from 80 to 100

Acapella 13's explosion of the Skiff is working in 1.6.1.

##### #5 - 03/25/2019 06:18 PM - joshua.collins

- Status changed from Resolved to Closed
