| <b>Description</b>                                                                                                                                                               |                                              |                     |              |
| Preconditions:<br>- Game ist Running<br>- lots of save games are available                                                                                                       |                                              |                     |              |
| Steps:<br>1. Press Menu<br>2. Go to Load Save<br>3. Start deleting save games                                                                                                    |                                              |                     |              |
| Observed behavior:<br>- Game reloads list and repeats remaining save games many times<br>- going back to main menu causes game to freeze. The main menu cannot be closed anymore |                                              |                     |              |
| Expected behavior:<br>- The deleted savegame should disappear immediately from the list.<br>- the game should not freeze                                                         |                                              |                     |              |
