Category: Gameplay	
Target version:	
Version: 1.8.0	Language: English (US)
Platform: Windows	Mod Related: No
Expansion: Breaking Ground, Core Game, Making History	
Description	
With 1.8, any time I switch to a command module, I hear a <i>very</i> unpleasant high pitched whine, <i>almost</i> at my edge of my hearing - but I CAN hear it, and it's like nails on a chalkboard.
