Description

Ps4 pro
Ksp v1.09
Making history dlc

Switching between craft using the map has been adding Av tool icons under the messages icon. Doing this multiple times will add more.

I spent some time today emailing Allan so he can give you more information on what i have done to fix this.

Please dont hesitate to contact me if you need any more information.

- Status changed from New to Ready to Test

- Target version set to PS4 - Enhanced Edition 2020-02-19 Patch 11

- % Done changed from 0 to 80

Setting to RTT; latest patch 11 release addresses this issue. Please check if this indeed fixed.
