Target version:			
Version:	1.9.0	Language:	English (US)
Platform:	Windows	Mod Related:	No
Expansion:	Breaking Ground, Core Game		

Description

It never got any fixes or improvements. I don't want to just spam new entries for the same bugs, but what else there is to do if it never got fixed? This bug is substantial and will ruin any long duration missions with robotic crafts on any planetary body. This is clearly deserving some attention it has never gotten.
