

Kerbal Space Program - Bug #25014

Robotics controller not saving Values

03/09/2020 07:39 PM - nextjr

Status:	New	Start date:	03/09/2020
Severity:	Low	% Done:	0%
Assignee:			
Category:	Action Groups		
Target version:			
Version:	1.9.1	Language:	English (US)
Platform:	Windows	Mod Related:	No
Expansion:	Breaking Ground, Core Game, Making History		

Description

After 1.9.1 any subassemblies with robotics controllers on it will be wiped once being used on a craft

video examples-

<https://drive.google.com/open?id=1LiUWqlOS1fEo9icTVER10RVllc7ho98M>

when any robotics controller is moved or taken off the craft in anyway the values are wiped.
