Category:	EVA		
Target version:			
Version:	1.11.0	Language:	English (US)
Platform:	Windows	Mod Related:	No
Expansion:	Core Game		

Description

The nut will be stuck and floating in front of the Kerbal if the Kerbal fall down during the EVA experiment
To reproduce:

- 1. make the Kerbal fall down right after the Kerbal take out the nut when performing the EVA experiment on a planet with no atmosphere
- 2. the nut will be stuck and floating in front of the Kerbal after the Kerbal stand up
