### Description

HI!

In orbit, an offset gizmo appeared. Note that i have not been in EVA build mode during this flight, tho i have been on EVA.

### History

#### #1 - 12/25/2020 01:14 PM - dok\_377

- File *screenshot43.jpg* added

Not only offset, but also rotate. Didn't do any construction either, just got out of the capsule.

#### #2 - 02/10/2021 04:06 PM - theaziz

Affects 1.11.1 as well.

#### #3 - 11/26/2021 11:29 PM - fishfritters

- File *wacky.mp4* added

Gizmo appeared after Bob (unable to do EVA construction) returned from EVA. No mods or DLC were installed.

#### #4 - 04/29/2022 04:28 PM - Codebreakerblue

Possibly related to bug [#27442](#), seems to persist in 1.12.3
