

Kerbal Space Program - Feedback #26943

FOV setting is missing

12/29/2020 01:55 PM - jukkamuhonen@hotmail.com

Status:	Confirmed		
Severity:	Low		
Assignee:			
Category:	Graphics		
Target version:			
Version:	1.11.0		
Platform:	Windows		
Expansion:	Core Game	Language:	English (US)
		Mod Related:	No
Description			
We need FOV setting so we could change FOV permanently, not just middle mouse wheel.

- Subject changed from FOV settings is missed. to FOV setting is missing
- Status changed from New to Confirmed

#2 - 01/25/2021 04:12 PM - kamine

Middle mouse never changes FOV, it changes the distance of camera to focus.
