Category:	Graphics		
Target version:			
Version:	1.11.0	Language:	English (US)
Platform:	Windows	Mod Related:	Yes
Expansion:	Core Game		

Description

When a kerbal goes on EVA, all is fine until they wear a helmet. Upon removal, alongside the helmet, disappears their whole suit and EVA thruster pack (the flag on it and the neck ring remains though), leaving the parachute floating in the air.
