

Kerbal Space Program - Bug #27224

Eve Pack

02/04/2021 02:17 PM - DProstock

Status:	New	Start date:	02/04/2021
Severity:	Low	% Done:	0%
Assignee:			
Category:	Parts		
Target version:			
Version:	1.11.1	Language:	English (US)
Platform:	Windows	Mod Related:	No
Expansion:	Breaking Ground, Core Game, Making History		

Description

The Eve Pack cannot be used on Mun's surface or other celestial bodies when there were no problems before.

History

#1 - 02/04/2021 02:34 PM - DProstock

- File ValBug.txt added

I don't know the cause, but I can't add the SFS file. Attached detail information for one of the kerbals found on the surface.
