Target version:			
Version:	1.11.1	Language:	English (US)
Platform:	Windows	Mod Related:	No
Expansion:	Core Game		

Description

At maximum contribution, the setup is supposed to be 100 reputation and will cost 6 reputation with each ship launched. The actual result is that it costs 179.01 reputation to setup and 10.23 rep on each use (actual amounts vary slightly, see attached data document for details).
