

Kerbal Space Program - Bug #27582

.625 SRB crossfeed glitch

04/28/2021 04:05 PM - Wizard_Kerman

Status:	New	Start date:	04/28/2021
Severity:	Low	% Done:	0%
Assignee:			
Category:	Fuelflow		
Target version:			
Version:	Xbox One - Enhanced Edition 2021-01-14 Patch 14	Language:	English (US)
Platform:	XBoxOne	Mod Related:	No
Expansion:	Breaking Ground, Making History		
Description			
I'm making a micro rocket to minmus, and it has 6 short srbs attaching to 1 long srb. But, when the short ones ran out, they began to use the center core's fuel.
