| Target version: | | | |
| Version: | 1.12.0 | Language: | English (US) |
| Platform: | Windows | Mod Related: | No |
| Expansion: | Breaking Ground, Core Game, Making History | | |

Description

When you load up Kerbal Space Program you open the game and when you press the Resume Game all of my saves are gone. I know I had made 7 games though before. When pressing Cancel or Delete I am taken to the Mission Builder screen where all the UI is present.

Version: 12.1

Game: Kerbal Space Program

Platform: Windows

To fix this bug you have to uninstall the game and reinstall it.
