<b>Platform:</b>	Windows	<b>Mod Related:</b>	No
<b>Expansion:</b>	Breaking Ground, Core Game, Making History		

#### Description

I'm playing my first career and I already have multiple kerbals that have done multiple orbits around Kerbin, but all of them only shows 2 orbits when I hover over some kerbal assigned to me.

#### History

##### #1 - 07/13/2021 08:42 AM - goufalite

That's not orbits, that's experience points gained by orbiting Kerbin. You gain experience points by doing flybys, landings, flag planting (tip, planting a flag with other kerbals around grant experience to all of them).
