

Kerbal Space Program - Bug #28454

Invisible part glitch

08/24/2021 10:42 AM - kaopu.zhao@icloud.com

Status:	New	Start date:	08/24/2021
Severity:	Low	% Done:	0%
Assignee:			
Category:	Builds		
Target version:			
Version:	1.12.0	Language:	English (US)
Platform:	Windows	Mod Related:	No
Expansion:	Core Game		

Description

When placed by the first part mechanism, certain parts become invisible or moved when the mouse goes over the action menu. I discovered this bug in a modded game, I tested it on a fresh install with both DLC's and it persists. The following clip is taken by OBS studios in a fresh install with no DLC's made for this purpose
