

## Kerbal Space Program - Feedback #2852

### Decline button for missions should have confirmation

08/03/2014 02:40 AM - osram

#### Description

When I click the Decline button for a mission I would like to have a popup to confirm the removal. It is easy to click incorrectly and it is annoying if you decline something you intended to accept (which I just did).

I guess that the same reasoning applies to the Accept button.
