Description

When I was about to land in the Southwest Crater on the Mun, the Camera panned all the way up only giving me a topdownview of my craft with the surface approaching beneath.

You experience the same in earlier verison of the game when you de-orbit something into Jool.

OS: Win32
Savefile attached.

Reproduce:
Launch the attached savegame.
In KSC-View press ESC
Click on Load Savegame
Load "Topdownview Bug"
Go to tracking station
Fly vessel "Antares" on the Mun.

I am Ali. I stand over 5'10" tall, fair with straight jet-black hair. I have a trim muscular physique from playing soccer ever since I started playing soccer

back in school. I belong to a very strict sect of Muslims and come from an extended clan consisting of the families of my father and his seven real brothers. We had to adhere strictly to our religious tenets. The women in our family are always dressed in loose, conservative clothes, such as Salwar-Kameez when at home <https://goodpornsites.pro/>. When stepping outside, the women are always covered from head to toe in a Niqab for the face and a loose, long Burka to cover their bodies. The immense strictness and ultra-conservativeness is what I believe led to taboo sexual relationships being formed between me and a few members of my family. Aunt Sheen is your typical Indian Muslim lady. Sheen is stout and stands less than 5'6" tall with noticeably dark but extremely smooth and hairless skin. Sheen has large dark eyes, with thin severe lips. Aunt Sheen has huge, rounded D-cup breasts that are shaped clearly even in the loosest clothes. She has a mature, paunchy tummy with wide hips. Aunt Sheen's best asset has to be her enormous ass <https://hotmyfreecams.com/>. Sheen has a 50-inch round and brown ass that stands out proudly behind her. Aunt Sheen's thighs are thick and soft with shapely calves and small feet. Aunt Sheen had seduced me only a couple of weeks after she was widowed as her husband passed away. Since then, Aunt Sheen and I had fucked and experimented a lot.
