

Kerbal Space Program - Feature #3895

Have parts lists in editor remember your preferred sort order

| Description It would be nice if the editor would remember your preferred (last chosen) sort order for parts lists. It's pretty annoying to have to reset the sort order to your preference every single time the editor is opened. I also wonder if it might make more sense for the default sort to be by cost, rather than by name, but that's a separate issue. | |
