

Kerbal Space Program - Bug #4127

Wing Strake part depth dimension does not match other Wing components

02/21/2015 06:23 AM - ninjawafflesofdoom

Status:	Needs Clarification	Start date:	02/21/2015
Severity:	Very Low	% Done:	0%
Assignee:			
Category:	Parts		
Target version:			
Version:	0.90	Language:	English (US)
Platform:	Any	Mod Related:	No
Expansion:			

Description

The Wing Strake part is too thin, making it inconsistent with Structural Wing and Wing Connector parts. Screenshots provided for reference. !Screenshot_2015-02-21_12.07.55.png!
