Description			
Fuel lines should have toggle, enable, and disable actions for fuel flow.			

History

#1 - 03/17/2013 04:53 PM - Anonymous

- Category set to Parts
- Severity changed from Normal to Very Low

#2 - 03/24/2013 07:05 AM - sal_vager

- Platform Windows added

This would be useful on batteries as well, all resources actually.

#3 - 03/30/2013 07:27 PM - rspeed

This should be Platform: All.

#4 - 07/27/2015 06:04 PM - Squelch

- Platform Win32 added
- Platform deleted (Windows)
