Description

The various systems that affect Kerbals (classes, experience, and recruiting) have a number of major problems. I have put together some suggestions to improve these areas. It's a bit much to put in here but here's the link to the forum thread.

[url]<http://forum.kerbalspaceprogram.com/threads/122533-Improving-Kerbal-Classes-Experience-and-Recruitment>[/url]

Please give these suggestions some consideration. Thanks.
