Expansion:			

Description

The full screen control does not work in Linux with KDE Desktop. I have not tried other desktops yet.

No relevant data in the log.

History

#1 - 04/13/2013 10:47 PM - Ruedii

It is fixed in 0.19 full version.

#2 - 08/16/2013 11:11 AM - Ted
