

Kerbal Space Program - Bug #7364

Drill O-Matic Action Group Options

03/14/2016 09:03 PM - mpk10

Status:	Needs Clarification	Start date:	03/14/2016
Severity:	Low	% Done:	0%
Assignee:			
Category:	Controls and UI		
Target version:			
Version:	1.0.5	Language:	English (US)
Platform:	OSX	Mod Related:	No
Expansion:			

Description

The action items available for the Drill O-matic Junior within the Action group options in the VAB, (in addition to Deploy/Retract/Toggle Drill) include "Begin Converter" and "Stop Converter" twice each, without an option for "Begin Harvesting" or something like that. Seems wrong/odd to me.

Thanks. Sorry for not being more technical. Bug reporting is still rather intimidating to me. I hope this is helpful!
