Description

Pricing of TVR-2160C Mk2 Stack Quad-Coupler looks inconsistent.

The following are current (1.1.2) part prices:
TVR-200 Stack Bi-Coupler   400
TVR-1180C Mk1 Stack Tri-Coupler   680
TVR-2160C Mk2 Stack Quad-Coupler 2000
TVR-200L Stack Bi-Adapter   400
TVR-300L Stack Tri-Adapter   600
TVR-400L Stack Quad-Adapter   800

960 (as 680+280) would be more appropriate.
Playing with minimal funds makes the combination of 3 times TVR-200 always the preferable option.

This is still the case in 1.8.1. IMO, TVR-2160C should be 800 like the TVR-400L and TVR-1180C should be 600 like the TVR-400L.
