Ok this seems clear. What clarification do you feel you need?

Hi artdog, we are doing a mass cleanup on reported bugs, you can read more about it here:

<http://forum.kerbalspaceprogram.com/index.php?/topic/143980-time-to-clean-up-the-bug-tracker/>

The TL;DR is that its not an indication of anything wrong with your report, there are soo many old bugs in the tracker that we cant give the devs a good picture of whats still an issue - so we have set up a process for all bugs from pre 1.1.3 to collect the info and get them confirmed for the devs.

We no longer support the patcher to get updates.
